In the event of absence or inadequacy of profits in any year, Mr.Anandkumar Rengaswamy will be paid the aforesaid remuneration and perquisites as minimum remuneration for that year is in accordance with the provisions of the Companies Act, 2013.

The Board shall have the discretion and authority to modify the foregoing terms of remuneration within the parameters of the applicable provisions of the Companies Act, 2013.

As Managing Director Mr.Anandkumar Rengaswamy will have requisite powers and authorities to enable him to manage the Company on a day to day basis.

The appointment will be for a period of three years, which may be terminated by either party by giving to the other ninety days notice in writing or in the case of the Company, by payment of ninety days salary as compensation in lieu of such notice. Upon such termination, Mr.Anandkumar Rengaswamy shall cease to be a Director of the Company.

This statement may also be regarded as a disclosure under Clause 49 of the listing Agreement with the Stock Exchange.

Mr. Anandkumar Rengaswamy and Mr. A Harigovind are interested or concerned with the resolution.

Item No.7

In pursuance of Sec 148 of the Companies Act 2013 and the Companies (Audit and auditors) Rules, 2014, the Board shall appoint a cost auditor on the recommendation of the Audit Committee. Remuneration S.NO

recommended by the Audit Committee shall be considered and approved by the Board of Directors and ratified by the shareholders. On recommendation of the audit committee at its meeting held on 30th May 2018, the Board of Directors has considered and approved appointment of M/s A. Gopal Iyengar, Cost Accountant, for the conduct and approved appointment of M/s A.Gopal Iyengar, Cost Accountants, for the conduct of the Cost Audit of the Company's various manufacturing units for the year 2018-19 at a remuneration as fixed. The resolution at item No.7 of the notice is set out as a special resolution for approval and ratification by the members in terms of Section 148 of the Companies Act, 2013.

None of the directors, Key Managerial Personnel of the Company or their relatives is in any way, concerned or interested, financially or otherwise in the said resolution.

Item No. 8

The Articles of Association of the Company was amended in the annual general meeting of the company held on 18th September 2015. The company made public issue in the year 1995 and as per the terms of the prospectus the Board of Directors have lien on the call money arrears and adjust this amount from the dividend.

The call money payable by the shareholder is Rs. 10 per share which is Rs. 5 as call money arrear and Rs. 5 towards premium. The total call money due is Rs. 26,39,000/- (call money Rs.13,19,500/- and premium Rs. 13,19,500/-) from 160 members. The Company has requested the members to pay the amount number of times but there is no result and most of the members could not be contacted as communication sent to their addresses was returned as undelivered.

The company is recommending dividend and paid to the members based on the amount paid on the share. As the company is having lien on the calls in arrears and Article 38 of the Amended Article provide that the Company shall have first and paramount lien upon all the shares for all monies (whether presently payable or not) called or payable at a fixed time in respect of such share and such lien shall extend to all dividends and bonuses from time to time declared in all respect of such shares / debentures.

Though it is mentioned all monies but for clarity purpose the word including premium is added after the word for all monies in Article 38 of the Articles of Association. The purpose of this amendment is the Board may decide to adjust the call money arrears including premium from the dividend already paid (but not claimed) / payable. The Board recommends the resolution mentioned in S.No. 8 of the Notice as special resolution for the approval of the shareholders.

The Articles of Association of the Company is available for inspection during the office hours at the Registered Office of the Company.

No director is interested or concerned in the resolution.

1. CORPORATE OVERVIEW

Maris Spinners Limited (Your Company) is a leading spinning mill manufacturing high quality yarn for the domestic market with interests in Wind Energy Generation for captive use. The company has its headquarters at Chennai.

2. FINANCIAL PERFORMANCE

Amid optimism and rising business sentiments, your Company reported a top line growth over the previous year. The Gross Revenue from operations stood at Rs. 12492.07 lakh compared with Rs. 12051.64 lakh during the Previous Year. The Operating Profit before tax stood at Rs. 74.09 lakh as against Rs.298.29 lakh during the Previous Year. The Net Profit for the year stood at Rs. 103.18 lakh against Rs.265.02 lakh reported during the Previous Year.

3. DIVIDEND AND RESERVES

Your Directors are recommending a dividend of Rs. 1/- per share, subject to approval of the members at the ensuing Annual General Meeting.

4. INDIAN ACCOUNTING STANDARD (IND AS) IFRS CONVERGED STANDARDS

Pursuant to the notification of the Companies (Indian Accounting Standard) Rules, 2015 by the Ministry of Corporate Affairs (MCA) on 16 February 2015, the company has adopted IND AS (Indian Accounting standards) from the financial year 2017-18.

5. ANALYSIS AND REVIEW

Industry conditions and Review of operations

The Indian textile industry witnessed reasonable improvement during the course of the year. During the year under review your company was able to maintain its performance due to stable cotton prices, remunerative yarn price through dedicated efforts aimed at improving operational efficiency, focus on optimal product mix and effective cost saving practices.

Company Outlook

The Company expects the cotton price to raise, as this is evident from the trend during the last quarter of the financial year 2017-18.

Demand for yarn has remained stable and indicates average year ahead as the prices for yarn are not raising as fast as cotton prices. The overall global economic outlook is good, which the company hopes to provide a boost.

The Company is making all efforts to reduce costs and rationalize operations to have a positive effect. The Company expects to make higher profit during the current year.

Opportunities and Risks

The cotton price is subject to climatic conditions and market volatility. The probable impact of climatic conditions in current year is expected to have a bearing on the cotton prices.

Exports may partly get affected due to global sentiments. Power shortage and Labour shortage are major concerns, which could have impact on operations of the Company. Higher inflation and increase in interest rates would have adverse impact on profit margins of the company.

Raw Material

NOMINATION AND REMUNERATION POLICY

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Clause 49 of the Listing Agreement, as amended from time to time. This policy on Nomination and Remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors.

Definitions:

“**Remuneration**” means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income tax Act, 1961;

“**Key Managerial Personnel**” means:

- I. Managing Director, or Chief Executive Officer or Manager and in their absence, a Wholetime Director;
- II. Chief Financial Officer;
- III. Company Secretary; and
- IV. Such other officer as may be prescribed.

“**Senior Managerial Personnel**” mean the personnel of the company who are members of its core management team excluding Board of Directors. Normally, this would comprise all members of management, of rank equivalent to General Manager and above, including all functional heads.

Objective:

The objective of the policy is to ensure

- that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the company and its goals.

Constitution of the Committee

The Board has constituted the “Nomination and Remuneration Committee” of the Board

The Board has authority to reconstitute this Committee from time to time.

Role of the Committee:

The role of the NRC will be the following:

- To formulate criteria for determining qualifications, positive attributes and independence of a Director.
- To formulate criteria for evaluation of Independent Directors and the Board.
- To identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down in this policy.
- To carry out evaluation of Director’s performance.
- To recommend to the Board the appointment and removal of Directors and Senior Management.

MARIS SPINNERS LIMITED

- To recommend to the Board policy relating to remuneration for Directors, Key Managerial personnel and Senior Management.
- To devise a policy on Board diversity, composition, size.
- Succession planning for replacing Key Executives and overseeing.
- To carry out any other function as is mandated by the Board from time to time and / or enforced by any statutory notification, amendment or modification, as may be applicable.
- To perform such other functions as may be necessary or appropriate for the performance of its duties.

Frequency of Meetings

The meeting of the Committee shall be held at such regular intervals as may be required.

Committee Members' Interests

A member of the Committee is not entitled to be present when his or her own remuneration is discussed at a meeting or when his or her performance is being evaluated.

The Committee may invite such executives, as it considers appropriate, to be present at the meetings of the Committee.

Secretary

The Company Secretary of the Company shall act as Secretary of the Committee.

APPOINTMENT AND REMOVAL OF DIRECTOR, KEY MANAGERIAL PERSONNEL AND SENIOR MANAGEMENT

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend his / her appointment, as per Company's Policy.
- b) A person should possess adequate qualification, expertise and experience for the position he/she is considered for appointment. The Committee has authority to decide whether qualification, expertise and experience possessed by a person are sufficient / satisfactory for the position.

TERM / TENURE

a) Managing Director/Wholetime

Director:

The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director or Executive Director for a term not exceeding three years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

b) Independent Director:

An Independent Director may hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

No Independent Director shall hold office for more than two consecutive terms of upto maximum of 5 years each, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

At the time of appointment of Independent Director it should be ensured that number of Boards on which such Independent Director serves is restricted to seven listed companies as an Independent Director and three listed companies as an Independent Director in case such person is serving as Whole-time Director of a listed company or such other number as may be prescribed under the Act.

EVALUATION

The Committee shall carry out evaluation of performance of Director, KMP and Senior Management Personnel yearly or at such intervals as may be considered necessary.

REMOVAL

The Committee may recommend with reasons recorded in writing, removal of a Director, KMP or senior Management Personnel subject to the provisions and compliance of the Companies Act, 2013, rules and regulations and the policy of the Company.

RETIREMENT

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

POLICY FOR REMUNERATION TO DIRECTORS/KMP/SENIOR MANAGEMENT PERSONNEL

- 1) Remuneration to Managing Director / Whole time Directors:

INDEPENDENT AUDITORS' REPORT

To the Members of

M/s MARIS SPINNERS LIMITED

Report on the Financial Statements

I have audited the accompanying financial statements of **Maris Spinners Limited** ("the Company") No 11, Cathedral Road, Chennai - 600 086, which comprises the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. In conducting my audit, I have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the Audit Report under the provisions of the Act and the Rules made there under and the Order issued under section 143(11) of the Act

I have conducted my audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the financial statements.

Basis for Qualified Opinion

The balances of certain Debtors and Creditors as well as advances given to and received from parties are subject to confirmation as mentioned in Note No.24(f) of Notes forming part of the financial statements. The balances of such parties are subject to reconciliation of differences, if any.

Some of the Parties to whom such confirmation letters have been sent have responded pursuant to which their accounts have been reconciled. As all the Parties to whom the letters have been sent have not responded due to which their accounts could not be reconciled, the same cannot be treated as confirmed, although in the opinion of Management the balances of such Parties are in order.

Qualified Opinion

In my opinion and to the best of my information and according to the explanations given to me, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Report on other Legal and Regulatory Requirements

1. As required under the Companies (Auditor's Report) Order, 2016 ("The Order"), issued by the Central Government of India in terms of sub section (11) of Section 143 of the Companies Act 2013, I give in the "Annexure-A " a statement of the matters specified in paragraphs 3 and 4 of The Order, to the extent applicable.
2. As required by section 143(3) of the Act, I report that:
 - a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit;
 - b) In my opinion proper books of account as required by law have been kept by the Company so far as appears from my examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss including other Comprehensive Income, Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In my opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) There are no financial transactions that have adverse effect on the functioning of the company;
 - f) On the basis of written representations received from the directors as on 31 March, 2018, taken on record by the Board of Directors, none of the directors are disqualified as on 31 March, 2018, from being appointed as a director in terms of Section 164(2) of the Act;
 - g) There are no qualification, reservation or adverse remark relating to the maintenance of accounts and other matters connected therewith;
 - h) with respect to the adequacy of internal financial reporting of the Company and operating effectiveness of such controls, refer to my separate report in "Annexure-B"; and
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of Companies (Audit and Auditors) Rules, 2014 in my opinion and to best of my information and according to the explanations given to me

Annexure 'B' to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

I have audited the internal financial controls over financial reporting of **M/s Maris Spinners Limited** ("the Company") No.11, Cathedral Road, Chennai - 600086, as of 31 March 2018 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, to the best of my information and according to the explanations given to me, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE, DEVELOPMENT AND PRODUCT WISE PERFORMANCE

The Company is in the business of manufacturing of 100% Cotton Yarns, having its units at Hunsur, Mysore Dt., Karnataka and Manapparai, Trichy District, Tamilnadu. The unit supplies its produce to the domestic markets.

2. INDIAN TEXTILE INDUSTRY

India's textiles sector is one of the oldest industries in Indian economy dating back several centuries. Even today, textiles sector is one of the largest contributors to India's exports with approximately 13 per cent of total exports. The textiles industry is also labour intensive and is one of the largest employers. The textile industry has two broad segments. First, the unorganised sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organised sector consisting of spinning, weaving, apparels and garments segment which applies modern machineries and techniques to enhance productivity and achieve economies of scale.

The textile industry employs about 105 million people directly and indirectly. India's overall textile exports during FY 2017-18 stood at US\$ 37.74 billion.

The Indian textiles industry is extremely varied, with the hand-spun and hand-woven textiles sectors at one end of the spectrum, while the capital intensive sophisticated mills sector at the other end of the spectrum. The decentralized power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of the textile industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles make the Indian textiles sector unique in comparison to the industries of other countries. The Indian textile industry has the capacity to produce a wide variety of products suitable to different market segments, both within India and across the world.

The Indian textiles industry, currently estimated at around US\$ 150 billion, is expected to reach US\$ 230 billion by 2020. The Indian Textile Industry contributes approximately 2 per cent to India's Gross Domestic Product (GDP), 10 per cent to manufacturing production and 14 per cent to overall Index of Industrial Production (IIP).

3. OPPORTUNITIES AND THREATS

3.1 Opportunities:

Rising disposable income: Rising disposable incomes and evolving lifestyles of India's prospering urban and semi urban consumer, are broadening their clothing needs. Today, Indian consumers are more inclined to buy apparels for a specific purpose, than consumers in other markets.

Growing exports: India has overtaken Germany and Italy to emerge as the world's second largest textile exporter but lags behind China, whose exports are nearly seven times higher. This presents a huge opportunity for the industry in the coming years.

High industrial growth: Average yearly growth rate for the Indian textile industry ranges around 10%. It is quite likely for the international players to move into India for meeting their demands. This will allow the industry to grow further in the near future.

Foreign Direct Investment (FDI): The textiles sector has witnessed a spurt in investment during the last five years. The industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 2.82 billion during April 2000 to December 2017.

3.2 Threats:

Firms in textiles sector are facing following problems in adding capacity due to:

- Non-Availability of Adequate raw materials in terms of quantity and quality and at attractive prices
- Manufacturing Competitiveness across the textile Value Chain
- Lack of Infrastructure
- Shortage of skilled manpower and labour related issues
- Competition from low cost countries like Bangladesh, Vietnam and Pakistan
- Uncertainty in market conditions.
- Low export demand due to unfavourable trade environment
- Low domestic demand due to low per capita income resulting in low per capita consumption of textiles
- Competition from imports or at par cost in terms of labour, power.
- High cost of funds and energy to operate

4. RISKS AND CONCERNS:

- Economic slowdown

Textiles as a product is highly dependent on macro-economic scenario of the countries across the world. Any slowdown in the economy might have a direct impact on the operations of the Company.

- Sharp wage Increase and High energy Cost

The Sharp increase in wages in most of the states by more than 20% and high energy cost, cross subsidies, cess and taxes adding additional 20% to energy cost.

- Appreciation in US Dollar

5. OUT LOOK:

The Textile Industry plays a significant role in the Indian economy

- (i) It contributes 14 per cent to industrial production and 4 per cent to GDP.
- (ii) With over 45 million people, the industry is one of the largest source of employment generation in the country.

The size of India's textile market as of July 2017 was around US\$ 150 billion, which is expected to touch US\$ 250 billion market by 2019, growing at a CAGR of 13.58 per cent between 2009-2019.

The central government is planning to finalise and launch the new textile policy in the coming months. The policy aims to achieve US\$ 300 billion worth of textile exports by 2024-25 and create an additional 35 million jobs.

The industry is driven by the following strengths:

- Availability of a wide variety of cotton fibre
- Fast growing synthetics-fibre industry
- Wide range of cotton/spun yarn
- Presence across the value chain
- Trained manpower-technical and managerial

With these fundamental advantages, the overall picture of the Indian textile and apparel sector presents an enormous potential.

MARIS SPINNERS LIMITED

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an adequate internal control system commensurate with the size and complexity of the organization. The Company has undertaken a comprehensive review of all internal control systems to take care of the needs of the expanding size of the Company and also upgraded the IT support systems. A system of internal audit to meet the statutory requirement as well as to ensure proper implementation of management and accounting controls is in place. The Audit Committee periodically reviews the adequacy of the internal audit functions.

7. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

There are no material developments in the Human Resources area. The industrial relations have been generally satisfactory. The Company constantly reviews the man power requirements and has a properly equipped Department to take care of the requirements. The total number of people employed by the Company as on 31.03.2018 was 443.

8. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The total Revenue for the year 2017-18 was Rs. 12492.07 lakh with a profit of Rs. 74.09 lakh.

9. DISCLOSURE OF ACCOUNTING TREATMENT

In the preparation of financial statements, no treatment different from that prescribed in Accounting Standard has been followed.

MARIS SPINNERS LIMITED

Note - 1: Significant Accounting Policies

1. Accounting Convention:

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013, (the "Act") and other relevant provisions of the Act.

The financial statements up to and for the year ended 31 March 2018 were prepared in accordance with the Companies (Accounting Standards) Rules 2015, notified under section 133 of the Act and other provisions of the Act.

2. Statement of Compliance

The Financial Statements comprising Balance Sheet, Statement of changes in Equity, Cash Flow statement, together with notes for the year ended March 31, 2018 have been prepared in accordance with Ind AS as notified.

3. Functional and presentation currency:

These financial statements are presented in Indian Rupees, which is also the Company's functional currency. All the amounts have been rounded- off to the nearest rupees, unless otherwise indicated.

4. Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial assets and financial liabilities to the extent applicable are measured at fair values.

5. Measurement of Fair Values:

A number of Company's accounting policies and disclosures require a measurement of their fair value, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. This includes periodic review of all significant fair value measurement, including level 3 fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the changes has occurred

6. Use of estimates and judgments:

"In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively."

a) Judgements

Information about judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are disclosed in financial statement wherever necessary:

b) Assumptions and estimations uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the financial year ending 31 March 2018 are disclosed in financial statement wherever necessary:

7. Significant accounting policies:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Impairment of Assets:

a. Impairment of financial instruments

"The Company recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost;"

At each reporting date, the Company assesses whether financial assets carried at amortised cost and debt investments at FVCOI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

"Evidence that a financial asset is credit - impaired includes the following observable data:

- Significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being past due for 365 days or more;
- The restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- It is probable that the borrower will enter bankruptcy or the other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties"

"The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- Debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition."

"Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-months expected credit losses are the portion of expected credit loss that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk."

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

MARIS SPINNERS LIMITED

"The Company assumes that the credit risk on a financial asset has increased significantly if it is more than 180 days past due.

The Company considers a financial asset to be in default when:

- The borrower is unlikely to pay its credit obligations to the Company in full, without recourse by the Company to actions such as realising security (if any is held); or
- the financial asset is 365 days or past due."

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for the financial assets measured at amortised cost are deducted from the gross carrying amount of assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of the amounts due."

b. Impairment of non-financial assets

The Company's non-financial assets and deferred tax asset, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents smallest group of assets that generates cash inflows that are largely independent of the cash inflows or other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use or its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

"The Company's corporate assets do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment losses recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis."

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised.

ii. Revenue recognition

"Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, net of taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised."

Recognition of dividend income, interest income or expense

a) Dividend income

Dividends are recognised in profit or loss on the date on which the Company's right to receive payment is established.

b) Interest income or expense

"Interest income or expense is recognised using the effective interest rate method.

The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of a financial asset; or
- the amortised cost of financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis."

c) Financial Instruments

I. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial assets or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

II. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at,

- amortised cost
- Fair value through other comprehensive income (FVOCI) - debt investment;
- Fair value through other comprehensive income (FVOCI) - equity investment; or
- Fair value through profit & loss- (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

MARIS SPINNERS LIMITED

A financial asset is measured at amortised cost if it meets both the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

A debt instrument is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held in a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrecoverably elect to present subsequent changes in investment's fair value in OCI (designated as FVOCI - equity investment). The election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the management.

The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial asset to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Company's management;
- The risk that effects the performance of the business model (and the financial asset held within that business model) and how those risks are managed;
- how managers of the business are compensated - e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of the financial assets in prior periods, the reasons for such sales and expectations about future sales activity .

Transfers of financial assets to third parties in transactions that do not qualify for de-recognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest.

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as profit margin.

To assess whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- Contingent events that would change the amount or timing of cash flows;
- Terms that may adjust the contractual coupon rate, including variable interest rate futures;
- Prepayments and extension features; and
- Terms that limits the Company's claim to cash flows from specified assets (e.g. non-recourse feature)

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

"Financial assets at FVTPL:

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss. "

"Financial assets at amortised cost:

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on de-recognition is recognised in profit or loss."

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains or losses are recognised in profit or loss. Any gain or loss on de-recognition is also recognised in profit and loss.

iii. De-recognition

Financial Assets

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of the ownership and does not retain control of the financial asset.

MARIS SPINNERS LIMITED

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

Financial Liabilities

The Company de-recognises a financial liability when the contractual obligations are discharged or cancelled, or expire.

The Company de-recognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the extinguished liability and the new financial liability with modified terms is recognised in profit and loss.

iv. Offsetting

Financial assets and liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

iii) Taxes

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Current tax

"Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantially enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis to simultaneously."

Minimum alternate tax ('MAT')

MAT paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as 'MAT Credit Entitlement'. The Company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

Deferred tax

"Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for the financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary difference arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;

- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future."

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in any case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets - unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

"Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of the deferred tax reflects tax consequences that would flow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on a different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously."

iv) Provisions

A provision is recognised if, as a result of past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefit will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-fix rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

v) Earnings per share

"The basic loss per share is computed by dividing the net profit/ (loss) attributable to owner's of the Company for the year by the weighted average number of equity shares outstanding during reporting period.

The number of shares used in computing diluted earnings/ (loss) per share comprises the weighted average shares considered for deriving basic earnings/ (loss) per share and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Dilutive potential equity shares are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and which either reduces earnings per share or increase loss per share are included."

8. Recent accounting pronouncements

a) Standards issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7 "Statements of Cash Flows" and Ind AS 102 "Share Based Payment". These amendments are applicable to the Company from April 1, 2017.

MARIS SPINNERS LIMITED

Amendments to Ind AS 7:

"The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The Company has evaluated the disclosure requirements of amendment and the effect on the financial statements is not expected to be material.

Amendments to Ind AS 102:

The above standard is not applicable to the Company.

9. Earnings per Share:

Basic Earning per Share is computed by dividing net profit for the year attributable to the equity holders of the Company by the weighted average number of common stock outstanding during the period.

The proposal is subject to the approval of shareholders at the Annual General Meeting and if approved would result in a cash outflow of approximately Rs.97,61,787/-, including Dividend Distribution Tax.

The Proposed dividend will be recognized in the Financial Statements in the subsequent year that is in the year in which the proposed dividend is approved by the shareholders.

MARIS SPINNERS LIMITED

l) Letter of Credit

During the year, Maris Spinners Limited Unit I Hunsur has entered into a letter of credit limit with Indian Overseas Bank for Rs.16,00,00,000/- towards purchase of Raw Cotton which is secured by Documents of Title goods/ accepted hundies and charge on current assets.

m) Contingent Liability:

- a. An amount of Rs.8,02,455/- has been raised by The Superintending Engineer, Tamil Nadu Electricity Board Trichy (Metro) Circle dated 13.05.2010 towards Excess Demand and Energy charges for exceeding the demand and energy quota during the period November & December'08 to July 2009. The company had remitted the amount and the matter had been disputed before the Appellate Tribunal for Electricity (APTEL), New Delhi and the same has been decided in our favour and the Electricity Department has gone an appeal to the Supreme Court. The company is confident of obtaining complete relief in the Apex court there by confident of getting refund of above amount.
- b. An amount of Rs.42,395/- towards difference in Stamp Duty for 14.78 acres Land purchased at Manaparai during 1995 has been claimed by The Special Deputy Collector (Stamps), which is still in dispute. The Management is confident that the differential stamp Duty is not payable and hence no provision has been made for the same.
- c. The company has been served with a notice of demand by the Assistant Commissioner, Woraiyur Assessment Circle, Trichy, for a sum of Rs.4,00,032/- under the Tamil Nadu VAT Act, 2006, pursuant to the orders passed in this regard, holding that the company was not eligible to claim input tax credit in respect of interstate sales to the extent mentioned in the said order. The company has filed an appeal against the said order and obtained a stay in the Madurai Bench of Madras High Court and the company is confident of obtaining complete relief in the matter and hence no provision has been made in the books of accounts.
- d. E-Tax on maximum demand charges which was levied in monthly CC Bill by TANGEDCO was paid by the company till September 2012. In view of an interim order passed by the Hon'ble Supreme Court staying the procedure of leaving E-Tax on maximum demand charges on 12/10/2012 responding to the SLP filed by SIMA (SLP (C) NO.31039 of 2012) we have not been paying E-tax for the maximum demand charges since October 2012. The accrued E-Tax amount till March 2017 was Rs.11,59,906/-. As the case has been pending before the Apex court and SIMA is confident of getting order in favour of its member mills, no provision has been made in the books of accounts.
- e. TANGEDCO has issued a show cause notice dated 20/04/2017 on the company, informing its intention to levy Cross Subsidy Surcharge on us for an amount of Rs.5,44,94,998/- in connection with non fulfilling of Captive Generating status for the Financial Year 2014-15,2015-16 and 2016-17. The company has filed its response to the show cause notice on 04/05/2017 where it as contested the claim of TANGEDCO.

As the move initiated by TANGEDCO on all H.T. Consumers as well as the Power Generating and Supplying Plants was not maintainable as per the Central Electricity Rules 2005 the Hon'ble High Court of Madras has directed TNERC to ascertain the status on the above and also stayed TANGEDCO taking any action from based on its correspondences issued to the consumer on the above matter. The Company is confident of obtaining complete relief in the matter and hence no provision is required to be made in the books of the company.
- f) The company has been served with notices of Demand by the Assistant Commissioner, Woraiyur Assessment Circle, Trichy, for a sum of Rs.21,46,430/- under the Tamil Nadu VAT Act, 2006 for reversal of input tax credit in respect of Invisible loss and Waste cotton % (for the Sales Tax Assessment Year 2008-09 to 2012-13) and for a sum of Rs.63,45,971/- (for the Sales Tax Assessment Year 2013-14 & 2014 -15) in respect of reversal of input tax credit for invisible loss, waste cotton % and deposits in to bank account, that did not tally with sales turnover, difference between these amounts, represents that the actual receipts of sale

considered had been suppressed. Against the above demand, the company has filed an appeal against the said order and obtained a stay in the Madurai Bench of Madras High court by depositing an amount of Rs.9,06,000/- being 25% of Tax amount of the demand and the company is confident of obtaining complete relief in the matter and hence no provision has been made in the books of accounts.

- g) The company has been served with a notice of Demand by the Assistant Commissioner, Woraiyur Assessment Circle, Trichy, for a sum of Rs.59,85,510/- under the Tamil Nadu VAT Act, 2006, towards deposits in to bank account, that did not tally with sales turnover (for the Sales Tax Assessment year 2015-16), difference between these amounts, represents that the actual receipts of sale considered had been suppressed. Against the above demand, the company has filed an appeal against the said order and obtained a stay in the Madurai Bench of Madras High court by depositing an amount of Rs.2,00,000/- being 25% of Tax amount of the demand and the company is confident of obtaining complete relief in the matter and hence no provision has been made in the books of accounts.
- h) The company has been served with a notice of Demand by the Assistant Commissioner, Woraiyur Assessment Circle, Trichy, for a sum of Rs.19,90,660/- under the Tamil Nadu VAT Act, 2006, towards sales value of stock omission for 53,084.240 Kgs. (for the Sales Tax Assessment year 2016-17). The Inspecting officers had incorrectly arrived the process stock quantity and had failed to consider the stock of unpacked finished goods of 7779.240 kgs.

The company had disputed the same before the Appellate Deputy Commissioner (CT), Trichy and the company is confident of obtaining complete relief in the matter and hence no provision has been made in the books of accounts.

n) Financial instruments - fair value measurement

a. Accounting classifications and fair values

The Company does not have any financial assets or financial liabilities whose fair value is different from its carrying amount.

o) Financial instruments - risk management

The Company has exposure to the following risks arising from financial instruments:

- credit risk (refer note (b) below)
- liquidity risk (refer note (c) below)
- market risk (refer note (d) below).

a. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations

b. Credit risk

"Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans to related parties and cash and cash equivalents.

The carrying amount of financial assets represents the maximum credit exposure."

MARIS SPINNERS LIMITED

(i) Cash and cash equivalents

The Company holds cash and cash equivalents of INR 51,62,633 at 31 March 2018 (31 March 2017: INR 1,54,64,938). The cash and cash equivalents are mainly held with nationalised banks which have a very low risk of default.

c. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

i) Financing arrangement

The Company had no undrawn borrowing facilities at the end of the reporting period.

d. Market risk

"Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return."

i) Currency risk

Majority of the transactions entered into the company are denominated in INR. Accordingly the company does not have any currency risk

ii) Interest rate risk

The Company does not have any borrowings from external banks/agency and hence there is no interest rate risks.

p) Previous Year Figures

Previous year's figures have been regrouped and reclassified wherever necessary in order to make them comparable with the current year figures.
